

Talisker 35 year old Special Release 2012

54.6%

Talisker is a Special Releases favorite, and this bottling, the oldest ever marketed by the distillery, is actually the sixteenth.

Distillation was in 1977, and maturation has taken place in both American and European oak refill casks. Soft wood smoke, sultana, nutmeg, and chili powder on the nose. Dried fruits, vanilla, and malt merge with more chili and savory notes, plus newly-dug soil on the complex palate. A touch of brine, orange peel, and bonfire in the finish. 3,090 bottles.

—Vol. 21, #4
