

Jura Camas an Staca 30 year old

44%

The latest addition to the Jura range has been matured in American white oak casks before spending three years in Gonzalez Byass oloroso sherry butts. The mellow nose is lightly oily, with figs, sherry, orange, and a savory note. Vanilla emerges, along with malt, and finally a hint of cinnamon and parma violets. Soft and supple on the palate, with more orange, plus cocoa, sultanas, and dates. The finish is lengthy and features dark chocolate, raisins, aniseed, and subtle spices.
