

Arran Premium Sherry Single Cask #1979

51.1%

Isle of Arran distillers is now offering exclusive bottlings in the U.S. along the same lines as those already available in the UK, starting with 16 year old single cask, cask strength variants. Arran Premium Sherry Single Cask #1979 displays milk chocolate, vanilla, new leather, wood polish, and butterscotch on the nose. More vanilla in time. The palate is richly sherried, with espresso, fruit loaf, nutmeg, and old wood. Lively spices persist in the lingering, leathery finish.
