

Arran Malt 16 year old

46%

As it progresses toward the ultimate goal of an 18 year old expression in 2015, Arran has released a 16 year old, matured in 30 percent sherry hogsheads and 70 percent bourbon casks. The edition is limited to 9,000 bottles.

The nose features malt, milk chocolate, and honey, with a citric edge. The palate mirrors the nose with more malt, honey, and milk chocolate, plus ginger, nutmeg, and spicy oak. Spiced fruits in the lengthy finish.
