

Arran The Devil's Punch Bowl Chapter II: Angels & Devils

53.1%

Chapter II of Arran's The Devil's Punch Bowl embraces whisky from a total of 27 casks. These are seventeen *oloroso* sherry hogsheads (from 1997 and '98), six standard bourbon barrels (2002), and four peated bourbon casks (2004). Juicy dark berries, malt, and soft cinnamon on the nose. Robust and fruity on the palate, with more dark berries, plain chocolate, a suggestion of vanilla, and black pepper. Long and drying in the earthy, mildly smoky finish, with aniseed and licorice.
