

Baker's

53.5%

Rich, multi-layered nose: vanilla, cornmeal, berries (black raspberries, wineberries), and broad-shouldered oak. Powerful, but not overproof hot in the mouth; controlled. The berries sing a high counter-melody over the corn-oak beat as the whole experience rocks along. It's powerful, sweet, authoritative, and finishes with a reprise of it all: berries, corn, vanilla, and stronger oak. Mature, complete bourbon with a 7 year age statement, and a real sleeper in the Small Batch Collection.
