

**Oban 1999 Montilla  
Fino Finish Distillers  
Edition**

**43%**

This vintage edition of Oban was distilled in 1999 and finished in *montilla fino* sherry casks, which lend a greater richness and complexity to the Oban house style without detracting from its essential characteristics. It was bottled in 2014. The nose is fragrant, with musky pineapple, and salted caramel. Silky on the palate, with Seville oranges, ginger nuts, and cloves, plus a faint suggestion of brine.

Persistent orange and dry spice notes in the oaky, medium-length finish. £75
