

## **Arran Machrie Moor 5th Edition**

**46%**

Arran distillery has been making peated batches of spirit since 2004, and this NAS bottling is the fifth release of that spirit, peated to 20 ppm. The outturn is 12,000 bottles. Nutty peat, spicy malt, toffee, and lemon on the mildly savory nose. Vibrant on the palate, with lots of citrus fruit. A bonfire smokiness develops steadily, with spice, nuts, and plain chocolate through to the relatively long finish, which features a persistent citric note.

—Vol. 24, #3
