

**Barrell Whiskey (Batch
#001)
61.25%**

7 year old whiskey (an unspecified “corn, rye, and malted barley” mashbill “distilled in Indiana”) aged in used barrels. Maple syrup, well-browned popovers, and Canada mint lozenges in a boozy-hot nose. Richly sweet on the palate: pastry dough, hints of anise, buttery and slightly-burnt cornbread, syrupy dark fruits: complex, rich, delicious. Water brings out more of the dough and tames the heat. Delicious, unique, intriguing. Sourced whiskey.
