

**Barrell Bourbon (Batch
#005)
62.35%**

“Tennessee bourbon” at 8 years, 3 months, and barrel proof. This and Batch 006 are the same whiskey, the same age, from different warehouse floors. Smooth sweet nose of oak and hot corn. Quite spicy on the tongue, hard-dancing oak vaults high in the mouth over a strong, sweet body. Solid oaky finish. Honest and foursquare as a Tennessee farmer; no surprises, but no disappointments either. Sourced whiskey.
