

Old Forester

43%

With a mashbill of 72/18/10% (corn/rye/malted barley), Old Forester offers a traditional recipe in a contemporary proof. Ponder the basics: caramel and vanilla with hints of herbs and baking spices. Promise shows in pumpkin spice, custard, and burnt caramel, but there's an unwanted high-alcohol note that dulls much of the sweeter taste. Its final moments are saved with hints of cinnamon.

Good value bourbon.
