Ragtime Rye

45.2%

New York Distilling's 3 year old rye is made with a 72/16/12% mashbill (rye/corn/malt) and aged in 53-gallon barrels. The rye is organic and non-GMO. Nose is clean, rich with grassy, bitter rye aroma and a nice dash of mint. Mouth is smooth but assertive: bitter-minty, a bit oily, and the wood arrives near the end. Quite nicely balanced, delivers what a rye should, and would make an excellent cocktail as well.

—Vol. 25, #1
