## **Arran 18 year old**

**46%**

Following the 2015 limited edition release of 18 year old Arran single malt, an 18 year old has now been added to the core range. It is uncolored and non-chill filtered.

The nose is bright with freshly-squeezed orange and lemon juices, honey, and vanilla fudge, plus a fleeting menthol note. The early palate mirrors the fresh fruit-laden nose, with developing ginger, honey, malt, and milk chocolate. Slowly drying in the finish, with plain chocolate, licorice, and charred oak.

—Vol. 25, #3
