

**Barrell 5 year old Cask
Strength Bourbon
(Batch #007)**

61.2%

5 years is when bourbon really starts developing complexity, and you find the beginnings of greatness here, with saltwater taffy, vanilla custard, citrus, corn pudding, and a healthy dose of cinnamon. Its proof offers satisfying warmth that quickly turns to spice. Medium finish gracefully gives a hint of warm vanilla icing. In an age of barrel strength bourbons, this is a good one, but lacks complexity for higher praise. Sourced whiskey.
