

**Grand Traverse Islay
Rye**
45%

Once you get over any initial disappointment (there is no peat smoke), this is one engaging and mouthwatering whiskey; clean with malty cereal notes, golden raisins, bread dough, and freshly-sawn oak. The real clincher, however, is the captivating wisp of saline sea breeze echoing across a warming finish of cherry hard candies, rye spice, and salt brine.

Medium-bodied, fresh, and delicious. (*Distillery only*) 375ml
