

**John Myer New York
Straight Bourbon Single
Barrel**

45%

Crafted from estate-farmed organic grain and aged for 2 years.

The flavors are impressively seamless, with nice complexity and everything neatly in its place. Fresh oak is well integrated with notes of orange rind, rosewater, sweet corn, and red fruits. The slick, buttery palate sizzles with peppery spice—cinnamon hearts candies and ginger. Robust in flavor, while showing impressive craftsmanship and polish. 375ml
