

**John Myer New York  
Straight Wheat Single  
Barrel**

**45%**

Soft and sweet; ripe apricot, honeyed porridge, and sweet vanilla take the lead, with a palate that elicits warm peach cobbler sprinkled with brown sugar and cinnamon. There is lots of freshly-sawn oak apparent throughout, but ample fruit keeps this whiskey juicy right through a pleasantly spicy finish. Fruit forward, smooth, and lovely; a real eye-opener for a whiskey of 100% soft white winter wheat. 375ml
