

Two James Spirits Catcher's Rye

49.4%

Cereal grains, flour-dusted breadboard, fresh cut hay, horehound lozenge, and apple pie. The appearance of Fig Newtons cookie and toasted rye bread flavors nicely complements green peppercorn spice and an herb garden edge, with good length to the salted-caramel and sweet maple finish. Pot distilled from 100% Michigan rye and aged in full-sized barrels. It's just a touch green, but drinking nicely and totally on track. More patience will pay dividends.
