

John Myer Four Grain

45%

Mashbill of 47% corn, followed by rye, wheat, and barley. Aromas of golden fruit with grassy freshness (hay and floral notes) turn a bit more plump and juicy on the palate, with apricot, raspberry, and some tropical fruit—pineapple and mango—emerging. Orange-peel citrus character is lifted by white pepper spice before the oak-laden, leathery, drying finish.

—Vol. 25, #3
