

Painted Stave Diamond State Bourbon (Batch 2)

47%

A coppery, auburn color betrays small barrels, in this case just ten gallons. The distinctive aroma of sassafras recalls rolling in a pile of autumn leaves, then quickly gives way to the apparent spice of a high-rye mashbill. The earthy and spicy qualities meld nicely, developing cedar box and sandalwood, wrapped in the sweetness of maple syrup, while the palate feels slick and buttery before a finish lingering with cinnamon and warm oatmeal cookie.
