

**Sons of Liberty Battle
Cry Oloroso Sherry
Finish (Batch 2)**

46%

Deep golden in color with a pinkish cast, this shows good purity of fruit, with red berry, black cherry, toasty oak, and some oxidative nutty notes layered across a creamy, malty palate. A nice grilled-fruit palate echoes with sweetness and charcoal smoke on the long finish. The sherry contributes a lot of nice character, but without more overall maturity feels a bit like window dressing.
