

Bushmills Sherry Cask Reserve

40%

This first release in the Steamship Collection was matured in *oloroso* sherry butts and enticingly smells both oily and jammy. Dried fruits, such as cranberry, cherry, and raisin, with Brazil nut oil, wood spice, and light pepper. A soft dram, tasting of stewed apple, plum, cherry jelly, spiced orange, dark chocolate, and ending with spices, pepper, fading fruit, and carob nibs. It's not all at sea, but just needs more body, especially mid-palate, to ride the waves of *oloroso* influence. (Travel Retail exclusive) £65
