

**Copperworks American
Single Malt (release
001)**

52%

The appealing nose features pretty biscuit notes, great purity of malt, and golden, honeyed sweetness, before adding some flavors of citrus blossom, clover, and cardamom with hints of licorice.

On the palate, the initial sweet malt quickly turns herbal, with marjoram and a distinct sage note that lingers through a long finish of salt-tinged sweetness. Aged 2 years, 6 months in full-size charred oak.
