

The Macallan 12 year old Double Cask

40%

This straddles the existing Sherry Oak and Fine Oak ranges by being a mix of spirit matured in both European and American oak sherry casks. Earthy sherry and old leather on the nose, with toffee, polished oak, and cherry blossom. Medium to full-bodied, with sherry, orange, cocoa, nutty vanilla, and developing wood spices on the honeyed palate. The finish is creamy, with insistent spices, cocoa, and tangy oak.
