

**Wyoming Whiskey  
Private Stock Bourbon  
Unfiltered 6 year old  
56.55%**

Generously oaky, with sawdust, horse saddle, vanilla, honey, and a chalky, mineral quality on the nose. The palate is mouth-coating, with a full-bodied punch of sweet fruit, caramel, treacle, and heat, but even with dilution, the astringent wood tannins, chalk dust, and dry leathery finish come on too quickly. The rare craft bourbon that might have been better a bit younger. *(Loch & K(e)y exclusive)*
