

**Midleton Very Rare
2016
40%**

This year's liquid missive from head distiller Brian Nation has a nose of caramel, macaroons, and beeswax with green, grassy notes. The first sip evokes barley sugar, which grows into a citrus glow, nourished by some green oak and a little white pepper. It has lovely poise this year, effortlessly lighter on the tongue than the 2015 or 2014 creations. The conclusion is slightly nutty with soothing oak.
