

**The Glenlivet French
Oak Reserve 15 year
old
40%**

I enjoy Glenlivet whisky for its subtle elegance, floral notes, along with a delicious "peaches & cream" flavor. For this particular whisky, finishing some of the whisky in new French oak barrels adds depth, dried spice (vanilla, clove) and pleasing dryness to the Glenlivet profile. This whisky is more polished and refined than the 12 year old expression it replaces.
