

Westland Garryana 2/1 Single Malt

50%

Aromas of woodsmoke with hints of hot tar and rubber are draped over ripe berry fruit. Dark and somewhat brash, it comes off a touch hot, fully revealing its 100 proof, becoming more fruit driven on the palate, as sweet berry, buckwheat honey, and sorghum syrup give way to smoldering baking spice on the drying, oak-laced finish. More muscle than finesse, however the 21% *Quercus garryana* is revealing itself more in this second iteration.
