

**Big Peat Christmas
Edition 2017**

54.1%

Big Peat looks incredibly pale in the glass this year, but his message is undiminished.

Antiseptic, pine-scented floor cleaner, and an enveloping cloud of peat smoke with underlying peach and faint dabs of lemon.

Sugary sweet, with lemon lozenges, light vanilla, caramel, and dark toffee, while a bowling, somersaulting smoky element gleefully turns cartwheels in the mouth. Hot, dry finish, like gargling with hot coals. Merry Peatmas everybody.
