

Kentucky Peerless Straight Rye

53.7%

Peerless Distilling's first whiskey in nearly a century; at 2 years old, it's precocious. Captivating on the nose; fruit-driven, with orange, peach nectar melded with vanilla custard, and nice details of clove and nutmeg. The palate pours big and bold, bursting with fruit alcohol and a face slap of spicy, peppery rye. While it's a touch hot, the reveal of 53.7% makes this forgivable. A generous splash of water unleashes more flavor, baking spice, and aniseed on the finish.
