

**Highland Park The Dark
17 year old**

52.9%

Matured exclusively in sherry-seasoned first-fill European oak casks and bottled at cask strength. The nose yields figs, soft smoke, cinnamon, sugarcane, and rich fruitcake. The palate is succulent and confident, with creamy sweet sherry, dried fruits, coffee, and woodsmoke. Long and drying in the finish, with flecks of char. Highland Park doing what it does best. (28,000 bottles)

—Vol. 27, #2
