

Jameson Black Barrel

40%

Sumptuously rich and intense whiskey emerges from these double-charred casks; a seduction of butterscotch, treacle, toasted nuts, scorched coconut, raisin, and vanilla essence. Secure in its deep-centered sweetness, it revels in caramelized sugar, dark vanilla, pecan nut slice, crème brûlée, peppery spice, and fleshy fruits gloomily submerged in sticky, umber syrups. Memorable for its long, satisfying, toasted aftertaste, heavy on the vanilla and raisins.
