

Kavalan Vinho Barrique

57.1%

This has a seductive nose of mango, kiwi, dried tropical fruits, rich oak, silky caramels, and milk chocolate-covered cranberries. The dynamics of this cask-strength whisky play out handsomely, with an opening gambit of warm berry fruits, peaking with emphatic spices, and ending with a reflective phase of butter toffee, mocha, and Ovaltine. A dash of water encourages clove-studded orange flavors and preserves the long spicy finish.
