

Kavalan Sherry Cask

57.1%

This dark, walnut-colored dram delivers the fabulous first-fill sherry cask characteristics we love: raisin, mixed peel, fruitcake, marzipan, Brazil nut, jellied fruits, and nutmeg. So wonderfully thick and chewy that you need to resist the temptation to pick up a knife and fork. It imparts dark weighty fruit, blackened oak, cooked apple, and a twister of peppery turmoil. Add water liberally to unlock figs, dates, and plums.
