## **Arran 10 year old**

**46%**

Launched in 2006 as the first mainstream Arran bottling with an age statement, it is sweet and malty on the nose, with fresh-planed wood and toffee apples.

The palate is fruity, with ripe banana, honey, vanilla, coconut, and wood spices. Spicy orchard fruits and malt in the relatively long finish. Well-balanced and eminently drinkable at this age. The quality has improved since earlier bottlings.

—Vol. 27, #3
