

**Smooth Ambler Big
Level Wheated Bourbon**
50%

The name should give some indication: this is a big, brawny whiskey. Aromas of orange peel, iced tea, toasted coconut, peanut, honey, and molasses spar with grain and dry firewood. The palate delivers oak, more grain, orange oil, menthol, roasted nuts, iced tea, cherries, and cola. Tobacco, leathery oak, and bitter chocolate tie everything together on the finish, which is especially enjoyable with a few drops of water added.
