

Old Pulteney Huddart

46%

This NAS expression is part of the new 2018 Old Pulteney core lineup. Initially matured in second-fill American oak and bourbon casks, it was finished in bourbon casks that previously held heavily peated whisky. Sweet woodsmoke, crème brûlée, green apples, and cinder toffee on the nose. The smoke is more peat-induced on the palate, with banana fritters, and subtly sprinkled with sea salt. The finish features caramel and herbal notes.
