

**Johnnie Walker Blue  
Label Ghost and Rare  
Port Ellen Edition**

**43.8%**

This uninhibited, tempestuous expression of Blue Label highlights the artistry of the blender through the judicious use of closed distillery malts and grains. Coastal notes of sea spray, lemon, dirty peat smoke, cookies and cream, After Eight mints, caramel, and dry-roasted spice aromas. Combining lemon bonbon, waxy orange, cookie dough, fondant icing, and chocolate, with tobacco smoke, hints of peppermint, and grapefruit notes, this flagrantly outclasses the Brora variant.
