Grant's Triple Wood

40%

Refill bourbon, American oak, and virgin oak are the woods in question. Technically, they are all American oak, just at different flavor-giving stages of their productive lives. Honey, fresh apricot, floral, and supple barley notes, candied orange, star anise, dried chili, and a touch of aniseed.

Exceptionally smooth with caramel, date, red fruits, chocolate, and pecan pie, finishing with wood char and spice. One wood three ways, I grant you.
