

Sheep Dip

40%

Fresh morning blooms in the flower shop, soft summer fruits of cantaloupe, nectarine, peach, apricot, scallop-shaped madeleines, light vanilla, and dry, unobtrusive spices on this blend of sixteen single malt whiskies.

Plunge into a pool of honey, orange, mango, vanilla, and sugary-sweet candy, shot through with little darts of spice. The finish is relatively short, with sweet pastries and light pepper, but I think ewe will like this.
