This is mastery of American oak! Polished wood, cinnamon cereals, dry spices of pepper, allspice, and paprika, and a riot of mostly overripe fruit: custard apple, mango, brown banana, baked apricot dessert, and fresh fig. Caramel, date slices, treacle, and cracker bread flavors are bathed in feisty pot still spices and fleeting green apple, before a lush, rich sweetness of banoffee pie, vanilla, and cinnamon descends. The finish is seemingly eternal.
