

**Berry Bros & Rudd The  
Classic Range Sherry  
Cask Matured**

**44.2%**

This is rich in cask characters, with baked orange, pronounced nutmeg notes, mace, peppercorn, and petrichor. The opening flavors of dark orange and syrupy caramel swerve headlong into pepper, root ginger, allspice, and nippy clove. Despite appearances, this is not awash with sherry-dominated fruitiness, but the finish is long, with spice-led dried fruits. £32
