

Mortlach 16 year old Distiller's Dram

43.4%

One of three Mortlachs introduced in 2018, this has much to live up to, as the classic Flora & Fauna Mortlach was also 16 years old. The whisky has been aged entirely in sherry casks. The nose offers malt, gingersnaps, baked apple, and a delicate savory note. Quite full-bodied, with toffee apples, gammon, and old leather on the palate. Cocoa powder and tinned peaches in the finish. *Editors' Choice*
