

Compass Box Flaming Heart 2018 Edition

48.9%

Refined elegant smoke, quayside ropes, liniment oil, waxed lemon, cake mix, ripe peach, and a buoyant maltiness, as Flaming Heart roars back with a vengeance. After the controversy surrounding the 15th Anniversary edition, this time it's all about the whisky. Sweet tangy orange, bitter peel oils, dark chocolate, clove, peppercorn, and nutmeg glide into menthol, spice, beeswax, and espresso on the finish. Solid gold: this is what they do best. (15,050 bottles and 800 magnums at \$330) *Editors' Choice*
