

**Kirkland 20 year old  
Sherry Cask Finish  
Speyside**

**46%**

No doubt about the sherry finish here: Toblerone, brown sugar, raisins, Fig Newtons, and hazelnuts on the nose, along with a hint of sulfur. The palate is oak-driven and chocolaty, with dried figs, raisins, cherries, blueberries, candied ginger, cloves, black pepper, and almonds. A supple, moreish finish with dark chocolate and lengthy polished oak. From the same undisclosed distillery as Kirkland's 18 year old. (*Costco*)
