

Filibuster Straight Rye Dual Cask Finished

45%

The nose begins with an aroma of orange peel, followed by a lively parade of black pepper, rye spice, cardamom, and tilled earth, then sweeter back notes of molasses and cinnamon stick. There's pleasant heat and spice on the palate, starting with black pepper and then chocolate, powdered-sugar French toast, orange, treacle, cooked apple, and allspice. A lengthy, toasty, chocolaty finish, with another pleasant note of orange and some peppery spice.
