Gullytown Double
Barrel Single Malt**

46%

This American single malt is aged in two separate bourbon barrels—one new and one used. A malty, earthy nose of slate is followed by notes of coriander and orange peel, as well as iced tea, ginger, and dark chocolate. The palate offers espresso, bitter orange, more chocolate, and grilled pineapple. A long, rich finish of orange, mocha, black pepper, and pipe tobacco. Rich, malty, and flavorful—some enjoyable sipping here.
