

Fukano Vault Reserve

#1

40.5%

Herbal with roasted sage leaves, coriander seed, savory meat juices, and a twinge of tarragon, though there are fruity qualities like fresh peach and clementine.

Creamy orange fondant, clove, peach, and nectarine sweetness, honey, and caramel with a gentle spicy edge makes for a quite charming whisky. It reaches a plateau relatively quickly, with just hints of citrus fruit and light spices to finish. (5,443 bottles)
