

The Norfolk Malt 'N'
Rye
45%

St. George's Distillery master distiller David Fitt makes scrumptious grain whiskies as well as The English whiskies, and this one has a beautiful balance of malt and spiciness, with crisp barley notes, cornbread, rye spice, peppercorn, light honey, green fruits, and some classic grain characteristics. Zested orange, lime, toasted cereal, caramel, and lovely rye notes on show, though the spiciness is a little tame.
