

**Glenmorangie 18 year
old
43%**

This is part of the distiller's Extremely Rare range, and has been matured in bourbon casks for 15 years, before a third is transferred to oloroso sherry casks for 3 years. Dried fruits, icing sugar, honey, lemon cheesecake, and floral aromas on the nutty nose. The palate offers figs, crème brûlée, cinnamon, more honey, and citrus fruit. The finish sees citrus fruit and oak merge nicely.
